Hi Susan,

Co Co Puffs is doing great. She is great around the girls, 3yr old and 14 months, and she is an important part of the family along with our 16 year old Blue, part lab. Sending co co to your courses was the best thing that we could of done. She is so obedient now and loves to be part of the group. This saint is great with kids and other dogs. She lets the girls play and pull on her and she just rolls over and kisses them. She is just a big teddy bear now before she was an overgrown giant.

Thanks for all you do and we would recommend you bar none.

Steve, Co co Puffs and Family
