Dear Vetco :

Just wanted to thank you for your referral to the "Dog Training Co"

I sent my lab pup there in August and was very pleased with the results.

Ron and Susan took great care of my puppy. He is much more pleasant

To have in the house now. I highly recommend them to anyone with a puppy.

Blake attended the "Remote Collar Basic Program". He really listens now

and is a joy to be with.

Thank you,

Kathy
